

The 2017 World Class Bucking Horse Association event season is about to get under way and we are proud to be involved with so many talented athletes; both bucking horses and cowboys, and be associated with all the wonderful people who help make this association so successful and exciting!

We anticipate this year to be a turning point for World Class Bucking Horse Association, Inc.. The support of our contractors, cowboys, committees, sponsors and spectators, over the last six years, has help build the WCBHA into a successful organization, bringing it to a new level for both contractors and cowboys. The association has become an essential avenue to buck superior horses, propelling them to the next level of competition.

On November 30, 2016, World Class Bucking Horse Association (WCBHA) and the American Bucking Horse Registry (ABHR) announced their event partnership. Together, our two organizations, will hold the 2017 series of bucking horse futurities; cumulating with a World Finals in Las Vegas Nov. 3, 2017. The Finals will be held in conjunction with the American Bucking Bull Inc. (ABBI) World Finals at South Point Equestrian Center.

We are pleased to be partnering with ABHR this year on events and to be able to offer an estimated \$225,000 purse over the course of the 2017 season. Having our Finals in Las Vegas will be a great opportunity to grow the sport and to showcase our top saddle broncs to all of the fans in town for the PBR and ABBI World Finals. The top 30 bucking horses in the standings at the end of the regular season will be invited to compete at the Finals, where the top 15 riders will get on two head a piece.

All bucking horses that compete in each event, will need to be registered with ABHR and 4-5 years of age to compete. (DNA hair cards will be available at each event and are \$55 / horse registered.) The ABHR exists to document and preserve the bloodlines of equine athletes, by being able to guarantee the genetics and off spring of bucking horses, it increases the values of these animals- which in turn also increases the prize purses that can be offered at competitive events like the ones sanctioned with the WCBHA. For more information about the ABHR, please visit their website at www.abhregistry.com .

The 2017 season will kick off January 7, in Malta, Montana and will include events in Idaho, North Dakota and Canada over the course of the season with new additions being made throughout the season. The complete list of events with entry dates will be available to view on our website at www.worldclassbuckinghorseassociation.com .

Enclosed is the 2017 WCBHA/ABHR membership application. This is one membership fee. Please fill out and send this application back before January 31, 2017, for the discounted membership rate.

We look forward to seeing you all soon. Please feel free to call, (406) 291-4085 for further information and questions.

Sincerely,

Bob and Angela Pecora
Executive Directors
